**Regulation n. 1907/2006 REACH
(Registration, Evaluation, Authorization of Chemicals)
Declaration SVHC substances**

The Reach Regulation provides in Article 33 "*Obligation to communicate information on substances present in items*", in relation to the substances of "very high concern" (SVHC) in articles / preparations imported or added in the production process and present in quantities greater than 0.1%, to communicate any content upon request of the consumer.

The first list was published by ECHA on 28/10/08 and is periodically updated by the agency.

According to the above Metallurgica San Marco S.p.A. herewith

DECLARES

that in the products we supply, the substances indicated in the SVHC list (according to the update of 8 July 2021 and available at the link <http://echa.europa.eu/candidate-list-table>) present in quantities over 0.1%, are:

Name	Update	CAS Number	EC Number	Danger
Lead (Pb)	Added in the SVHC in the update of June 27 2018	7439-92-1	231-100-4	 Human reproductive toxicant Category 1A H360FD - May damage fertility. May damage the unborn child. H362 - May damage breastfeeding infants via lactation.
