STANDARD SIZES: "S"

We apply the costs of columns "S" (Standard) to all sizes included in column STANDARD SIZES in alloys CW614N and CW617N

NON STANDARD SIZES: "NS"

We apply the costs of columns "NS" (Non Standard) to sizes included in the size range column "From-to" that are not specifically indicated in column "S" (Standard sizes). The same costs are applied to all sizes, both standard and non standard, supplied in special alloys, i.e. not in CW614N and CW617N

For non standard sizes or for special alloys, the minimum order quantity is 3000 kg (please check the feasibility of such items with our sales office before ordering).
